Michael and Matt,

Good morning. We wanted to give you an update. EPA continues to evaluate the information that you provided on November 20th. We plan to resume settlement discussions with you soon. Considering holiday schedules, however, we don't expect to be in a position to do so until the new year. We'd like to get a date on the calendar for a meeting of the parties to discuss settlement during the week of January 22 or January 29. A conference call may be easier to facilitate, but we are also open to a face-to-face meeting if you'd prefer. We'd appreciate your letting us know your availability.

Thanks, and please let us know if you have any questions/concerns.
